

ROAD CLOSURE EVENT ALERT

SUNDAY 13 SEPTEMBER 2026

This year we're celebrating the 30th anniversary of Bridge to Brisbane with 40,000 runners and walkers taking on the iconic Gateway Bridge on Sunday September 13, 2026. Participants will make their way from the southern side of the Gateway Bridge to the Brisbane Showgrounds via Kingsford Smith Drive. The event is developed in consultation with the Queensland Police Service, Brisbane City Council, Transurban and other relevant authorities. There will be a number of road closures in place across the course to ensure the safety of our participants and the general public - see the table below for full details.

There will also be increased noise across the course and finish venue for the duration of the event. During the Gateway Bridge southbound closure, Clem7 southbound and AirportlinkM7 southbound will be toll free between 5:00am and 9:30am, thanks to our major sponsor Transurban.

For any pre-event or event day queries please contact info@bridgetobrisbane.com.au or 1300 55 55 77.
