

Event Public Transport Services – Sunday 7 November

For the 10km there are two options to get to the start line – via bus or train.

Trains will depart from the following stations below and travel to Murarrie Station. From Murarrie Train Station participants then walk up Queensport Rd to the 10km start line on Lytton Rd (approx. 1.2km walk from train station). For the **10km course only**, there will be additional Queensland Rail services to drop participants at Murarrie Station. Spectators should not travel to the 10km start line as there will be no return service.

Buses will run from the five public transport hubs Eight Mile Plains, Carindale, and Chermside and various stops along the way to the 10km start lines. Buses will drop participants back to these transport hubs from the finish line post-race.
